

The Living Vine is looking for a few good men (and women)!

Learn to do good;
Seek justice...
Defend the fatherless...

Isaiah 1:17

© Waters Photography

In the 7th chapter of the book of Judges, we read how God required Gideon to work with an army of only 300 men so that God alone would get the glory for the victory.

Would you prayerfully consider being a part of our Gideon's Army?

Each member of our Gideon's Army of 300 is one who is willing to commit \$1,000 in financial support each year, or \$83.33 per month. Perhaps you could recruit your small group to join hands as one.

At The Living Vine, we do not accept any government funding because of our deeply held belief that God alone is our Provider through His Body. We also believe that, as the hands and feet of the Lord Jesus Christ, we must freely offer our services to young women in crisis.

James 1:27 clearly defines pure and undefiled religion as the care of women who have no husband and children who have no father. That is the purpose of the ministry of The Living Vine.

Will you join with us TODAY?
